From Research to Real-World Impact: Effective Strategies for Knowledge Mobilization

May 29, 2025 12-1 pm | In-person and online

Tired of research gathering dust? Explore innovative knowledge mobilization strategies to get public health information where it's needed most. Join our expert panel of DLSPH researchers and journalists from the School's Investigative Journalism Bureau (IJB) this May to learn more.

Dr. Blair Bigham
Assistant Professor &
Senior Editor, IJB

Robert Cribb
Founder & Director
IJB

Dr. Zahra Shakeri
Assistant Professor
IHPME

Dr. Hailey Banack
Assistant Professor
PHS

In-person space is limited and priority will be given to research faculty. Please register for the event to guarantee your seat!

Lunch will be provided for in-person attendees.

This hybrid session is open to all DLSPH faculty, research staff and post-doctoral fellows.
